REPCO INC. was founded in 1976. Our name stands for Replacement Electrical Parts Co. The products currently sold by Repco are electrical contacts, coils and miscellaneous contactor parts for industrial controls and carbon brushes for industrial motors. The company provides a fully guaranteed, quality and lower-cost alternative to the OEMs.

REPCO INC. is the industry leading source for replacement electrical contacts for industrial motor controls. For more than 40 years Repco has built a solid reputation for quality products and customer service. The company supplies a lower-cost alternative to be equivalent in fit, form and function to the OEM product. Repco's product replacement offering spans 26 manufacturers representing nearly 100 control series. Over 4000 different catalog items are stocked at our Marlton, NJ warehouse for industrial applications.

Repco's electrical contact catalog contains over 800 of the most popular AC & DC contacts and contact kits in the industrial replacement marketplace. Items are current or have been obsoleted by the manufacturer. All items in the catalog are normal stock and product photos are actual size.

Repco's carbon brush catalog features 300 replacement carbon brushes for industrial motors and generators. Repco supplies either the OEM or its equivalent brush. Repco replacements provide a fully guaranteed, quality and lower-cost alternative to OEM items. Over 1500 different catalog items are stocked at our warehouse.
